Welcome to **Shelley Brother Inc.** We have been serving the Connecticut and surrounding area for over 150 years.

That means that we have a century's worth of experience providing top quality and beautifully crafted monuments for a vast and varied clientele. It also means that we have a century's worth of experience fine-tuning our skills and perfecting our methods of delivering unbeatable customer service to each and every one of our clients.

If you're in the market for a monument, chances are you're looking for something that offers longevity and integrity – something that will withstand the many tests and ravages of time. At Shelley Brothers Inc. we believe you should require just as much from the company that sells you the monument as you do from the monument itself. And that's precisely what we're here to offer – top quality and long-lasting products from a top quality and long-established company.

We combine state of the art computer designs and manufacturing with old world craftsmanship to create personalized monuments.

Give us a call today to learn more about our services and products. We look forward to working with you.
